# Lifestyle Collection Hybrid EPC Flooring

Our Lifestyle Collection is an exciting addition to our Hybrid flooring range, it's available in 9 colours including popular selections, Blackbutt & Spotted Gum. Lifestyle Hybrid flooring provides interior water resistant protection against topical spills and when little accidents happen. It features an attached acoustic IXPE foam sound pad to deliver whisper quiet foot comfort & sound absorption. Avaliable in wide plank formats for a luxurious look.

Lifestyle hybrid flooring features class leading unique plank visuals with excellent pattern variability.  The hybrid flooring planks are manufactured from a composite polymer & stone fibre core (EPC) combining a commercial grade 0.7mm Vinyl wear layer: the end result provides durability with charming visual decors ideal for everyday living.
